SUBJECT Drone Formation Flying Over Elgin, IL on 1/8/2020			
DIGEST SGT (b) (6) returned my call about the report he made to the ROC on 1/9/2020 regarding drones flying in formation. He said the Police Department was receiving numerous calls about drones flying in formation. The 1st call said the drones were at Elgin High School at 1200 Maroon Dr. Elgin, IL. The second call said the drones were at Julian Ave. and North Grove Ave. Elgin, IL. The SGT got into his cruiser and located the drone swarm based on the reports being made at the Police Department. He followed them for about an hour and stopped as they headed east towards Bartlett. He also stated that they hovered over a water treatment plant off the fox river in Elgin, an Islamic center on Bluff City Blvd, and Copart, an auto salvage yard also on Bluff City Blvd. He stated that the reports about these drones were not carried over to the next shift because they were dismissed as UFO sightings by others at the Police Department.
